together we rise

Solutions to Start and Stay Strong
In the midst of never-before-imagined circumstances, organizations have an opportunity to set a positive course for their next normal. Embracing new ways to live, work, play and care, we can reimagine what is possible.

Quite simply put, Sodexo was made for this moment. We have the unique capabilities and resources to combine a complete range of services – from disinfection to safety services and healthy, convenient meals, wellness services and space transformation. Taking learnings from our early experience in restarting businesses in China during the COVID-19 crisis, we developed a program that helps organizations craft their future and rise with confidence.

Sodexo has created a systematic and comprehensive approach to help you prepare for and implement changes to your daily operations. These services enable organizations to rise to the challenges and possibilities of a new world for our associates, customers, partners, communities and society. When you Rise with Sodexo, you have access to a comprehensive offering of best-in-class practices created by a team of experts and our experience from around the world. Our unique program prioritizes safety, wellbeing, and productivity so everyone can get back to the business of living.

Healthy, Productive Environments for a Better Tomorrow

Rise with Sodexo is a holistic approach to wellbeing readiness. Working together, we prepare you to overcome the challenges of the site restart process before people return to your locations during their transition to the next normal and beyond.

With dedicated training for your employees, robust disinfection and infection control methods, employee health checks and more, your dedicated Sodexo team will work to your unique requirements and opportunities.

Our client benefit from our site management system, which we use to monitor, inspect and analyze our operations within your site for optimal visibility and transparency.

Delivering the right service at the right moment
Expansive Expertise, Precise Problem Solving

Sodexo’s unparalleled global expertise and uninterrupted resources position us to take a consultative approach to our partnerships, leveraging broad experience to find pinpoint solutions for your organizational needs.

We work closely with our robust supply chain to give access to the items our clients need to operate safely, like PPE and sanitization products. We customize our programs to precisely fit your organization, leveraging our deep expertise and experience to explore every relevant option to overcome your challenges.

“There is an inherent caution and people desperately want to reduce the risk of a second wave, but life is slowly starting to return to normal - restaurants are opening and the economy is starting to get moving once again. We are certainly through the worst, but not back to normal in the coming months.

We are at a stage now where people really want to move on and get back to normal. We are focused on engaging with clients and assessing how their people are feeling.
